## Stationery

As the 2021 academic year is peeping around the corner, we want to forward the following about the 2021 stationery.

To financially accommodate parents, we decided to keep the stationery amount unchanged from 2020. It will then remain the following amounts:

Grade R R 1200.00

Grade 1 R 1300.00

Grade 2 R 1200.00

Grade 3 R 1200.00

The only change we had to make due to covid health-and- safety reasons and the protection of each and every staff member and learners is that we will no longer allow for parents who are purchasing their own stationery (not buying directly from the school) to supply toilet paper, tissues or copier paper. Therefor the following will apply:

If you purchase from the school, the school will make sure that your child's teacher receives the toilet paper, tissues, and copier paper as and when needed through the academic year. The parents that want to buy the stationery themselves will be liable to pay the amount of R250.00 to cover the item mentioned above to Charlton Vos College.

The school will supply those items and the parents will be billed the R250.00

We do not want to receive cash for safety and security reasons and therefor urge parents to come and swipe at the Charlton Vos Offices as the preferred method of stationery payment or alternatively you can deposit the money for Grade RR – Grade 3 stationery into Absa account as indicated below.
