

AFRIKAANS - GRAAD 4.

18 Januarie 2021 (Maandag).

Good morning! I'm teacher Amanda. I will be teaching the grade 4's Afrikaans. If possible, the work can be printed out. Writing work can then be done on this worksheets. If printing out is not possible, writing work can be done in the exam pad. The date of that day's work must be written to prevent confusion. Please keep the work neatly in the flipfile, since it will be checked when we go back to school.

1. Listen to the story "Lottie se wens". (Afrikaans sonder grense pg. 3, 4)

Lottie se wens

Daar was eenmaal 'n dogtertjie. Haar naam was Lottie. Lottie het nie van haarself gehou nie. Sy hou nie van haar swart krulhare nie. Sy hou nie van haar bruin oë nie. Sy wens sy kan anders lyk.

Op 'n dag gaan stap Lottie in die park. 'n Pragtige wit duif kom sit op haar skouer en sê: "Jy kan enige wens wens, dit sal vir een dag waar word. Daarna kan jy besluit of dit vir ewig waar moet bly."

Lottie is so bly! Sy sê vir die duif: "Liewe Duif, ek wil graag lang, blonde hare en blou oë hê!"

Die volgende oomblik lyk Lottie anders: sy het nou lang, blonde hare en blou oë.

Sy gaan na haar maats toe om met hulle in die park te speel. Maar niemand ken haar nie. Haar maats groet haar nie. Niemand speel met haar nie.

Sy kyk in die dam se water en sien haarself. Sy skrik. "Ek hou nie van my lang, blonde hare nie. Ek hou nie van my blou oë nie. Ek lyk nie meer soos Lottie nie," sê Lottie ongelukkig.

Die wit duif kom sit weer op haar skouer en sê: "Wil jy hê jou wens moet waar bly, Lottie?"

"O, liewe wit duif, nee dankie! Ek wil weer kort, swart krulhare hê. Ek wil weer bruin oë hê. Ek wil weer die ou Lottie wees. Dan sal ek gelukkig wees," sê Lottie.

Sjoep! Daar lyk die dogtertjie weer soos die ou Lottie. Sy het nooit weer gewens dat sy anders moet lyk nie.

Translation of the story:

Lottie's wish.

One day there was a little girl. Her name was Lottie. Lottie did not like herself. She doesn't like her black curly hair. She doesn't like her brown eyes. She wishes that she could look differently.

One day Lottie goes for a walk in the park. A beautiful white dove come and sit at her shoulder. It says: "You may make any wish. It will come true for one day. After that you can decide whether it must stay like that for ever."

Lottie is so happy! She says to the dove: "Dear Dove, I would like to have long, blond hair and blue eyes!"

The next moment Lottie is looking differently: she has long blond hair and blue eyes.

She goes to her friends to play with them in the park. But nobody knows her. Her friends do not greet her. Nobody plays with her.

She looks at the water of the dam and sees herself. She got a big fright. "I don't like my long blond hair. I don't like my blue eyes. I do not look like Lottie anymore," says Lottie unhappy.

The white dove come and sit at her shoulder again and says: "Do you want your wish to stay true, Lottie?"

"Oh, dear white dove, no thank you! I want to have short, black curly hair again. I want to have brown eyes again. I want to be the old Lottie again. Then I will be happy," says Lottie.

Sjoep! Then the little girl looked again like the old Lottie. She never again wished to look differently.
